Vet Center

Orland Park IL 60462

www.va.gov

The Vet Center Program was established by Congress in 1979 out of the recognition that a significant number of Vietnam era vets were still experiencing readjustment problems. Vet Centers are community based and part of the U.S. Department of Veterans Affairs. In April 1991, in response to the Persian Gulf War, Congress extended the eligibility to veterans who served during other periods of armed hostilities after the Vietnam era. Those other periods are identified as Lebanon, Grenada, Panama, the Persian Gulf, Somalia, and Kosovo/Bosnia. In October 1996, Congress extended the eligibility to include WWII and Korean Combat Veterans. The goal of the Vet Center program is to provide a broad range of counseling, outreach, and referral services to eligible veterans in order to help them make a satisfying post-war readjustment to civilian life. On April 1, 2003 the Secretary of Veterans Affairs extended eligibility for Vet Center services to veterans of Operation Enduring Freedom (OEF) and on June 25, 2003 Vet Center eligibility was extended to veterans of Operation Iraqi Freedom (OIF) and subsequent operations within the Global War on Terrorism (GWOT). The family members of all veterans listed above are eligible for Vet Center services as well. On August 5, 2003 VA Secretary Anthony J. Principi authorized Vet Centers to furnish bereavement counseling services to surviving parents, spouses, children and siblings of service members who die of any cause while on active duty, to include federally activated Reserve and National Guard personnel.

The Wilmington Coalition for a Healthy Community works with youth and adults to build a stronger community. We provide programs and activities for youth, while educating all community members about substance abuse and mental health. Our office provides a location for counseling and other programs vital to the well-being of local residents and their families. We could not do this without the help of grants and donations from people, businesses, and organizations.

WAYS TO SUPPORT OUR WORK:

- Make a monetary donation directly to WCHC or via PayPal on the WCHC website
- Donate food and supplies for youth programs and events
- Use Amazon Smile to benefit the Wilmington Coalition for a Healthy Community
- Save your Bellettini's receipts for WCHC
- Attend a WCHC meeting on the second Monday of the month at 6:30 p.m. at Wilmington Public Library
- Contact our office to learn more about volunteer opportunities
